It wouldn't be summer without a fresh crop of fruit. If you like the smell as much as the taste, check out our favorite fruity beauty products:

- Yardley London's Secret Cottage Ripened Summer Mango & Pomegranate Shower Scrub smells good enough to eat (\$3; drugstores).
- Bloom's Aromatherapy Lip Balm in orange, grapefruit, and lime is a refreshing alternative to lipstick (\$7; bloomcosmetics.com).
- Essentiel Elements' Citrus Dream Body Lotion gets its zesty kick from tangerine, grapefruit, and mandarin orange (\$11; essentielelements.com).
- Astar's Green Papaya Nutrient Mask gives you a healthy glow (\$37; astaraskincare.com). —Isadora Fox
