THE SUMMER ISSUE

Warm Weather Beauty Tips

Summer Skin: Exfoliate daily with **Astara's Daily Refining Scrub Cleanser** (\$30); follow up with a moisture-rich mask, such as the collagen-fortified **DDF's Intensive Hydration Mask** (\$28) that repairs dry skin. And **Biore's Oil Blotting Papers** (\$5.99) zap greasy summer T-zones on the spot—keep a pack in your pocketbook, beach tote, or tennis bag.

Sunblock comes in more varieties than ice cream, but one of our favorites is **The Body Shop's Strings Attached SPF 40 Stick** (\$10) for its super strength and portability. **Ling's Titanium Dioxide** (\$20) is a rich solar safeguard that will turn almost any lotion into sun protection; **Clinique's UV Response Face 50** and **UV Response Body 50** (\$14.50-18.50) are perfect choices for all-over sun safety. You don't have to burn to be smokin'! **ml**
