WHAT THE STARS SAY: Everybody loves a Sagittarius, but you're feeling a bit rundown because of your social activities over the past few weeks. Take some time for yourself—order in your favorite junk food and give yourself a facial. Your pals may miss you while you're on vacation from happy hour, but they'll relish in your return next week.

BEAUTY OUTLOOK: Pamper your skin with Astara Activated Sea Mineral Mask (\$39); the latest skin saver from the beauty
