Slow down the aging process with the latest moisturizers.

With so many moisturizers, tonics and serums on the market, it's important to remember some skin care basics. "When looking for a good moisturizer," says Sunny Griffin, founder and co-creator of Astara Skin Care, "you need to make sure it does three things. Moisturize deeply at the cellular level, protect skin from the elements and hydrate."

4. Astara Antioxidant Light Moisturizer, available at Sephora, Sephora.com and 877.4.ASTARA, \$42.
